Teatro Ristorante opened its doors in 1993 to a smaller and relatively quiet downtown Calgary. Our philosophy was to provide quality seasonal cuisine, a fine offering of properly cellared wine and knowledgeable, attentive service. As Calgary has changed over the last two decades, we have stayed rooted in this philosophy, upholding an exceptional level of cuisine and service. In 2018, we proudly celebrated our 25th Anniversary within the Calgary food and entertainment industry which these principles in service has helped us achieve!

Over the years Teatro has had the honor of hosting beautiful weddings and memorable receptions of all types and sizes, becoming one of Western Canada's most sought after event venues. We can accommodate private, seated or cocktail style receptions & celebrations for as few as four and up to 250 guests. Our goal is to ensure that your special day is even more so. With an in-house Events Manager, we can help with everything from personal menu planning to room décor & layout, cake design to party favors, photo locations to entertainment. Let us help you feel like a guest at your own party!

The Opera Room is the private dining room at Teatro. A striking and versatile space to accommodate a wide variety of group sizes and needs. Impressive in scale, with grand 18 foot ceilings, the mood remains elegant, no matter the size of your party. Rich wall tapestry accents Italian marble throughout, it is a perfect space to host intimate wedding receptions and/or ceremonies.

Do you love simplistic, modern and neutral interior design? Are you looking for a venue that meets today's current event and wedding trends? Then look no further than Alforno Bakery & Cafe! Alforno's interior lends itself well to this simplistic take on event design, providing you with a palette that can be turned into the event of your dreams. Velvet, leather, black metals and gold accents, modern light fixtures, and a large skylight that casts beautiful natural light, you barely need to decorate this venue as its style speaks for itself.

This lively, casual cafe is situated in the heart of Eau Claire in downtown Calgary and is the ideal backdrop for intimate gatherings & celebrations. Alforno can accommodate up to 60 guests for a seated buffet style event, or can comfortably fit 120 guests cocktail style. Alforno offers freshly baked, house-made pastries & bread as well as brunch, lunch & dinner celebrations.

Nestled in the heart of Sunnyside, Vendome Cafe offers the charm and warmth of a European cafe. We are proudly situated in the historic Vendome Block, a building that has served Sunnyside and its residents for decades. We honor this tradition by supporting our community, through the use of local farmers and artisans. As part of the Teatro Group's family of restaurants, Vendome Café upholds our practice of offering only the finest ingredients to our guests. Our philosophy is aimed towards enhancing the culture of our community through food, wine and support of the arts, all the while preserving our neighborhood's rich history.

COMPLIMENTS

WE'VE WORKED WITH SOME INCREDIBLE COUPLES!
HERE ARE SOME KIND WORDS THEY HAD TO SAY ABOUT
SPENDING THEIR SPECIAL DAY WITH US.

CHELSEA & GEOFF

Teatro was the perfect choice for our wedding. We originally chose them for the beauty of the room as well as the incredible food and wine selection, but we ended up getting so much more than that. The events manager is extremely talented, warm and accommodating. We had both our ceremony and reception at Teatro and it couldn't have been a more perfect day. Teatro is an exceptional venue no matter what your vision is and perhaps more importantly, they will work alongside you and support bringing that vision to life.

ALEX & JOEL

Our experience with Teatro Group Weddings was amazing! We hosted an intimate and private dinner in the Opera Room and then a cocktail reception with canapés at Royale. The teams at both locations were extremely easy to work with and made our wedding planning a breeze. I can't say enough about the food and beverage options as well, as someone who doesn't eat meat or fish we are offered custom canapés at Royale to suit these needs. We even had a custom cocktail created for both my husband and myself for our reception. Brittany and Carrie made planning very easy and were very helpful when it came to making sure our day went smoothly. We cannot say enough about Royale as a location as well as the staff. The recent renovations have made the space even more beautiful than before. Minimal decorating was needed due to the abundance of flowers and candles already there. Our guests said they had a fabulous time and enjoyed the food and drinks very much. It was super special to ring in the new year as newlyweds with our closest friends and family with us, such a fun party!!!

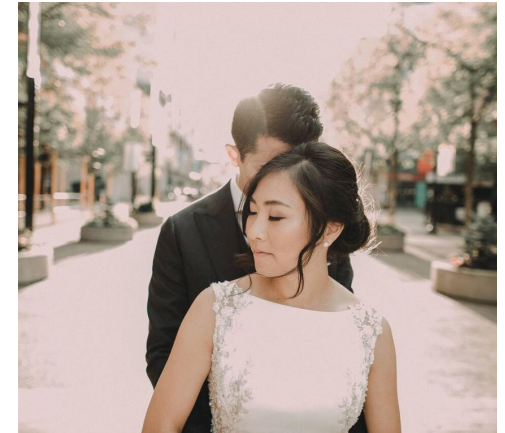

JENNIFER & KEVIN

We held our NYE wedding and reception at Teatro, and were blown away by the service, function, and staff. The venue, itself, is naturally beautiful, the staff is extremely dedicated and excited, and the food is incredible. The events manager takes care of every detail that you can imagine, and is in your corner from day 1. We could not speak more highly of this venue, and the people who made our day so special.

RACHEL & AARON

The team at Teatro nailed our wedding and Reception! They did a beautiful job with all the details and "behind the scenes" stuff that when it came down to the big day - it was stress free and I was able to enjoy it. They were also extremely accommodating in all aspects. The food was also absolutely incredible...we were told by several guests it was the best food they've had at a wedding!!! HIGHLY recommend Teatro for any event.

ALYSSA & JONATHAN

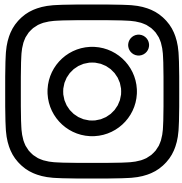

Thank you so much for taking part in our wedding and making sure everything went smoothly and perfectly. Thanks to all of the staff's hard work and dedication. We are truly grateful.
